

## Child Seat Guidelines

Please note that this document serves as a guideline only. There can be variations as the vehicle categories can consist of numerous different vehicle models. No specific vehicle model can be confirmed in advance or guaranteed at any time.

	Infant Seat	Child Seat	Booster Seat	
<b>Age</b>	0-1	1-4	4-9	
<b>Weight</b>	Up to 9 kg	9 - 30 kg	Under 18 kg	Over 18 kg
<b>Direction Facing</b>	Rear	Rear if under 9 kg	Front-facing child seat	Booster seat
		Rear or Front, if over 9 kg		
		Front, if over 18 kg		
no car seat required for children over 145 cm				

**NOTE:** Children within weight range 9 kg to 18 kg should be kept rear-facing as long as possible.  
(Source: BCAA road-safety / child-passenger-safety)

## C-Medium / C-Large Motorhome

**2 x three-point belts + 2 tether hooks**  
2 x infant-, child- or booster seats

**2 x lapbelts + 2 tether hooks**  
2 x child seats

## Four Seasons ECONOMY RV RENTALS

### C-XLarge Motorhome

**2 x lap belts + 1 tether hook**

1 x infant- or childseat (no booster seats)

*Dinette table may need to be lowered when infant seats are installed, meaning no adults can sit in dinette while travelling.*

**3 x lapbelts**

No child seat installation possible

Please note that it is not illegal for children to sit in the dinette seats without booster seats, fastened with lap belts only. The purpose of the booster seat is to raise the seating level of the child in order to avoid the seat belt being at throat level, thus eliminating the danger of choking the child during brisk braking. In vehicles that are equipped with lap belts only, such as the C-XLarge motorhome, this risk is not present. Therefore children of approx. 5 years of age or above, would be allowed to sit in the dinette seat fastened with a lap belt only. However, please note that it is ultimately up to the customer to decide. Four Seasons RV Rentals will offer guidelines but will not make any decisions in this regard.

### Adventurer 4 Motorhome

**2 x three-point belts + 2 tether hooks**

2 x infant-, child- or booster seats

**2 x lap belts (no tether hooks)**

2 adults only
